

**PROTOCOLS FOR**  
**NEW YORK STATE COURTS E-FILING (NYSCEF)**  
**Cases Filed in Supreme Court, Seneca County**

**Effective January 24, 2018**

**I. Introduction:** In implementation of the New York State Courts E-Filing system (hereinafter referred to as “the NYSCEF system”) in Seneca County Supreme Court in accordance with the program established by the Chief Administrator of the Courts pursuant to Uniform Rules for the Supreme and County Courts (hereinafter “Uniform Rules”) §§202.5-b and 202.5-bb, the Administrative Judge of the Seventh Judicial District and the Seneca County Clerk as Clerk of the Supreme and County Courts hereby promulgate local user protocols to assist users in implementing NYSCEF in practice and provide guidance with respect to local practice and procedures used to process filings, fees and court calendaring. In addition, it is suggested that users consult the User Manuals provided on-line at the NYSCEF website ([www.nycourts.gov/efile](http://www.nycourts.gov/efile)) as well as any applicable part rules.

**A. Effect of Joint Protocols:** The NYSCEF system does not change the rules applicable to civil litigation. As such, the protocols promulgated herein, as well as any additions or amendments thereto, do not change applicable rules or statutes with respect to civil practice as defined by the New York State Civil Practice Law and Rules (hereinafter “CPLR”). In addition, users are encouraged to be fully familiar with the IAS Part Rules for each Judge as they apply to the action type being filed in the NYSCEF system.

**B. Official Case Record:** The official case record for any action or proceeding, and the filing or entry of documents thereto, shall be the records maintained by the Office of the Seneca County Clerk via its electronic database, online images and hard copy filings as per the constitutional authority vested as the Clerk of the Supreme and County Courts. In addition, as Clerk of the Supreme and County Courts, the Seneca County Clerk is and remains the vested constitutional official with respect to access, maintenance and retention and dissemination of court records within Seneca County.

**C. Getting Started:** Prior to utilizing the NYSCEF system, an attorney, party, or filing agent must register to become an authorized user of the NYSCEF site at [www.nycourts.gov/efile](http://www.nycourts.gov/efile). A firm acting as filing agent for an attorney or party to a case must file a form accessible at [www.nycourts.gov/efile](http://www.nycourts.gov/efile) whereby the attorney or party authorizes the agent to file on the attorney or party’s behalf. Only one such form may be filed in any NYSCEF case. Any NYSCEF User shall immediately contact the NYSCEF Resource Center if they have reason to believe their user identification or password may have been compromised, and may request a new user identification or password.

**D. Self-Represented/Unrepresented Individuals:** A Party to an action who is not represented by Counsel is **exempt from e-filing** in both consensual and mandatory programs. Such unrepresented individuals **may still consent to e-filing if they wish**. Any such party who wishes to participate in e-filing utilizing the NYSCEF system must register and may use the “Create Account” link under the Supreme Court login page at [www.nycourts.gov/efile](http://www.nycourts.gov/efile).

If an unrepresented party chooses NOT to participate in e-filing through the NYSCEF program, they must file their pleadings in hard copy and shall be served in hard copy by any other parties involved in the action.

**E. Cases Eligible for E-Filing:** Seneca County is currently a consensual voluntary e-filing program. E-filing is available but not mandatory at this time which allows parties the option of using the e-filing system or filing documents in hard copy.

Cases previously filed in hard copy prior to January 24, 2018, may be converted to

electronic filing pursuant to the procedure set forth in NYSCEF Manual Section IX regarding Stipulation and Consent. The Seneca County Clerk will assign an index number and will post a document list/index of previously filed paper documents in the case. The parties need not electronically file previous documents unless specifically directed by the Court to do so.

All documents in an e-filed case shall be filed on-line with the NYSCEF system. The Notice of Hard Copy Submission E-filed Case Form must be attached to every filing of an original hard copy document that either cannot (e.g. emergency exception) or need not (e.g. party did not consent) be electronically filed.

**II. Identifying E-filed Cases:** E-filed cases must be readily identifiable and marked as such. Whenever counsel presents papers to the Office of the Seneca County Clerk or the Supreme Court Clerk in a NYSCEF matter, counsel should alert the appropriate Clerk that the case is a NYSCEF matter. Further:

**A. When commenced via NYSCEF:** All E-filed case index numbers will start with the year, followed by four digits, for example, **20180001**. Upon filing of the commencement pleadings and payment of the statutory fee, the Seneca County Clerk as Clerk of the Supreme and County Courts will assign a NYSCEF designated Index Number and notify the filer via the NYSCEF system of the number assigned and filing date. Such index number must be affixed to all document submissions, filings and communications to the Seneca County Clerk as Clerk of the Supreme and County Courts and the Court.

**B. When converted to NYSCEF:** Cases originally commenced in hard-copy form but later converted to NYSCEF status consensually will continue with the index number originally assigned.

### III. Filing of Papers:

**A. Payment of Fees:** Payment for fee-bearing NYSCEF documents may be made online via credit card (MasterCard or Visa) at the time of submission.

1. **Effect of Payment:** Pursuant to CPLR §304, a document is not filed until payment of the fee has been tendered.
2. **Effect of Refused Payment:** If, for any reason or at any time, the fee payment is returned or refused, the filer will be notified and required to pay the document fee. Failure to pay or a reoccurring payment return notification will result in the filer being reported to the Court and the Unified Court System for further action.

**B. Filing a Document where Size, Consistency or Context Prevent electronic filing:** Where the size, consistency or context of a document preclude its electronic filing, the user shall electronically file a Notice of Hard Copy Exhibit Filing [www.nycourts.gov/efile](http://www.nycourts.gov/efile) and if filing the document in hard copy, attach a copy of the notice to the document. Any party may object to such hard copy filing, and the Court, in response to such objection, may, following the hard copy filing, fashion such relief as it deems appropriate, pursuant to and in furtherance of the Uniform Rules and these protocols, including, but not limited to, an Order directing the filing party to file such documents online via the NYSCEF system.

**C. Confidential Personal Information:** An attorney or self-represented party filing a document via the NYSCEF system must comply with the requirements of 22 NYCRR 202.5(e) regarding the redaction of Confidential Personal Information and General Business Law §399-ddd (6) concerning the filing of documents containing Social Security Numbers. **It is the sole responsibility of counsel or the unrepresented person filing to be aware of and to comply with existing laws requiring non-disclosure of confidential personal information contained in any document e-filed in NYSCEF.**

**D. Exhibits:** In the NYSCEF system, each exhibit should be uploaded as a separate PDF file. After uploading a primary document, please choose the document type "Exhibit", enter the appropriate number or letter.

**E. Errors Upon Submission:** Submission of documents which, upon examination, require correction or addition will result in notification to the filer advising that there is a problem with a document. The filer shall make the required corrections and/or additions and transmit the corrected document.

**F. Technical Failures:** When filing by electronic means is hindered by a technical failure (as set forth in Uniform Rule §202.5-b(I)), a party may file with the appropriate Clerk in hard copy. With the exception of deadlines that by law cannot be extended (e.g. a statute of limitations or the deadline for filing a notice of appeal), the time for filing of any document that is delayed due to technical failure of the NYSCEF system shall be extended for one day for each day on which such failure occurs, unless otherwise ordered by the court.

**G. Correspondence:** Correspondence may be filed and transmitted to other parties via the NYSCEF system. There is an email link available in every NYSCEF case to send items to counsel. However, any papers or correspondence that the court or attorneys would not ordinarily file with the Seneca County Clerk in hard-copy case need not be filed on the NYSCEF system. No duplicate copies of the correspondence shall be provided to the court by either fax or mail.

**H. Discovery Materials:** In any action subject to electronic filing, parties and non-parties producing materials in response to discovery demands may enter into a stipulation authorizing the electronic filing of discovery responses and discovery materials to the degree and upon terms and conditions set forth in the stipulation. In the absence of such a stipulation, no party shall file electronically any such materials except in the form of excerpts, quotations, or selected exhibits from such materials as part of motion papers, pleadings or other filings with the court unless otherwise specified by statute, rule or part rule.

**I. Notice of Entry:** Pursuant to the NYSCEF Rules, the Court shall file orders electronically and such filing shall constitute entry of the order. The NYSCEF system will provide notification that the order has been entered. Such notice does not constitute service of notice of entry by any party.

**J. Working Copies:** Please note that the Seneca County Supreme Court Judge(s) require working copies of any E-filed documents.

1. **Filing Must Precede Delivery of Working Copies:** Pursuant to Uniform Rule §202.5-b. any working copy submitted shall include, as a cover page firmly fastened thereto, a copy of the Confirmation Notice received from the NYSCEF site. Court staff will not screen each working copy to be sure that it is an accurate reflection of the document filed via NYSCEF. Should counsel fail to file a document with NYSCEF, that document will not be part of the Seneca County Clerk's file.
2. **Working Copies Not Accepted by the Seneca County Clerk:** Working copies are not accepted by the Office of the Seneca County Clerk for forwarding to the assigned IAS Justice, nor are they received and filed as part of the case file maintained by the Seneca County Clerk in her/his capacity as Clerk of the Supreme and County Courts.
3. **Printing of Working Copies:** Working hard copy documents, required by the assigned IAS Justice or by rules of procedure, are not printed and provided by the Office of the Seneca County Clerk or the Supreme Court Clerk's office.
4. **Delivery of Working Copies:** All working copy documents shall be marked "WORKING COPY," addressed to and delivered to the assigned Justice. Working copies submitted by mail or overnight delivery must be conspicuously marked on the outside of the package - "Working Copy."
5. **Working Copies Discarded:** The official record of a document in an electronically filed case is the document filed via the NYSCEF system. Working copies are intended only for use by the Justice. The court will discard all working copies after the Justice has finished with them. Thus in the event that counsel fails to file a document via the NYSCEF system, the document will not be part of the court record.

**IV. Requests for Judicial Intervention (RJIs):** An RJI in a NYSCEF case shall be filed via the NYSCEF system along with any required RJI addendum forms. Any attachments to a RJI, with the exception of a motion or order to show cause, shall be submitted along with the RJI as one PDF file. When the RJI is filed and paid online, the Seneca County Clerk's Office will forward the RJI and any accompanying documents to the Seneca Supreme Court Clerk's Office for assignment and processing. Counsel will receive notification of Judge assignment via the NYSCEF system.

**A. Tort Actions:** In a tort action, if a RJI is accompanied by a Notice of Medical Malpractice, the filer should choose document type *RJI re: Notice of Medical Malpractice* and both documents should be uploaded as one PDF file in the NYSCEF system. If an RJI is accompanied by a Request for a Preliminary Conference, the filer should choose document type *RJI re: PC Request* and both documents should be uploaded as one PDF file in the NYSCEF system.

**V. Motions and Petitions:** Motion and Petition submission, including cross motions, shall comply with all relevant provisions of the CPLR, and the Rules of the Court.

**A. General:** A motion on notice or a notice of petition in a NYSCEF case shall be filed through the NYSCEF system and except with regard to a notice of petition commencing a Tax Certiorari Action, must be accompanied by a Request for Judicial Intervention if the motion is being filed upon commencement or if the matter has not yet been assigned to an IAS Justice. In addition, cross motions and opposition and reply papers must be submitted via the NYSCEF system.

**B. Calendaring of Motions and Petitions:** Appearances are required on all motions in Seneca County Supreme Court, (except ex-parte motions), unless otherwise directed by the Court. Request for papers to be heard upon submission must be made in writing. If the motion is the first filing in an action, the case will be assigned and counsel will be notified by the Supreme Court Clerk's Office via the NYSCEF system of the assigned Judge and return date via e-mail.

**C. Adjournments:** Requests for adjournments MUST be made in writing to the Seneca County Supreme Court Clerk's Office.

**D. Cross Motions,** opposition and reply papers must be submitted online. Courtesy copies must be provided directly to the assigned Justice. Fees must be paid on all cross motions. Motions and Orders to Show Cause are assigned a sequence number by the system. Counsel must be sure that cross motions and other filings correspond with the correct sequence number so that a cross motion will not be associated with the wrong original motion.

**E. Exhibits:** In the NYSCEF system, each motion exhibit should be uploaded as a separate PDF file. After uploading motion papers, please choose the document type "Exhibit", enter the appropriate number or letter, and place a check mark to the left of "Attach to main document".

**F. Working Copies:** Please see Section III (J) above regarding working copies.

**G. Affidavits of Service:** All affidavits of service must be filed with the NYSCEF system in compliance with statutory requirements or pursuant to the directive of the Court.

**H. Decisions:** Decisions and/or orders issued will be scanned by court staff into the NYSCEF system, which will immediately transmit notice of the event via the NYSCEF system to all parties and a link to the decision and/or order. In the case of orders, this notice does not constitute service of notice of entry by any party (See Section III (I) for more information regarding Notice of Entry).

**VII. Orders to Show Cause:** Proposed Orders to Show Cause (hereinafter "OTSC") shall comply with all relevant provisions of the CPLR, and the Uniform Rules. Those OTSC, in which interim relief is sought, require prior notice in accordance with the aforementioned rules. Counsel must contact chambers to set up a time to be heard as to the interim relief requested.

**A. General:** Except as provided in the following paragraph, a proposed OTSC and supporting documents in a NYSCEF case must be submitted by filing with the NYSCEF system. Original documents will not be accepted by the Seneca County Clerk.

**B. Review:** Absent unusual practical difficulties, a proposed OTSC and supporting documents that have been filed with NYSCEF will be reviewed through the NYSCEF system by the Court. If there are problems with the documents, the submitting attorney will be promptly contacted by e-mail or telephone.

**C. Working Copies:** Refer to section III (J).

**D. Hard Copy Service:** In instances where a party, because of exigent circumstances, does not wish to provide advance notice to an adversary of a proposed OTSC by filing the OTSC with supporting papers on NYSCEF (which generates an e-mail message to the parties), the proposed OTSC and supporting documents may be submitted in hard copy to the Seneca County Clerk. Form EF-20 "Notice of Hard Copy Filing Submission – E-filed case", must accompany the hard copy of the OTSC. Once signed, the original OTSC must be filed with the Seneca County Clerk's Office for uploading to NYSCEF, together with proof of hard copy service.

**E. Declination:** If the Justice declines to sign the OTSC, the Supreme Court Clerk will electronically file the declined order. If the proposed OTSC and supporting documents were filed with the court in hard copy form, the filing attorney or party shall file the supporting documents with NYSCEF no later than two days after the filing by the Supreme Court Clerk.

**F. Exhibits:** In the NYSCEF system, each exhibit to an OTSC should be uploaded as a separate PDF file. After uploading the OTSC, please choose the document type "Exhibit", enter the appropriate number or letter, and be sure to place a check mark to the left of "Attach to main document".

**VIII. Sealed Documents and Secure Documents:** In order to seal a document in a NYSCEF case, a party must proceed in accordance with Part 216 of the Uniform Rules for the Trial Courts.

**A. Secure Documents:** Documents may be designated as "Secure" by the filer without an order of the court. The effect of such designation was that the document could be viewed in the NYSCEF system only by counsel and self-represented parties to the case who consented to NYSCEF and by the court and the Seneca County Clerk. The electronic file, however, remains open for public inspection at the Office of the Seneca County Clerk.

**B. Application for a Sealing Order:** If a party wishes to file and maintain papers under seal and no sealing order has been issued in the case, the party must, either by motion or on submission to the court of a stipulation, obtain a court order directing the Seneca County Clerk to seal the file. The court will conduct a Part 216 analysis in deciding whether to issue such an order. If the motion/stipulation is filed via the NYSCEF system, it will be open to the public until a sealing order is served upon the Seneca County Clerk. Alternatively, the parties may make a motion or submit a stipulation without filing it to the NYSCEF system until the court rules on the sealing issue. Any such motion or stipulation submitted in hard copy form must bear a *Notice of Hard Copy Submission - E-Filed Case* and must be accompanied by a CD or other acceptable electronic storage device containing the filings in PDF format. Any opposition or reply papers shall likewise be submitted in hard copy form with such Notice, and be accompanied by a CD containing the documents in PDF format. Each such CD shall bear a label containing the name of the case, the index number, and the name and e-mail address of the attorney submitting it.

**C. Sealing Existing NYSCEF Document:** If the court issues an order directing the sealing of an existing NYSCEF file or a document or documents already filed via the NYSCEF system, the applicant shall file with the NYSCEF system a Notification for Sealing an Electronically Filed Case, a form for which is available at [www.nycourts.gov/efile](http://www.nycourts.gov/efile), along with a copy of the order as required by CPLR §8019. The Seneca County Clerk will seal the file or document(s) in question

as directed by the court, in addition, service should include a reference, if applicable, to any hard copy filings that may exist for the sealed case in question. Upon receipt of the notification, the Seneca County Clerk shall seal the documents in question and implement a secure action code to prevent access to these documents except by the parties to the action and the court.

**D. Previously Sealed Documents in Converted Cases:** If a case that was previously sealed pursuant to court order is converted to NYSCEF status, attorneys for the parties to the action or proceeding shall notify the Seneca County Clerk as Clerk of the Supreme and County Courts of the sealing status.

Notification shall consist of an e-mail in a format promulgated by the Seneca County Clerk for such purposes, and attached thereto, shall be a copy of the original sealing order.

**E. Identifying Sealed Documents:** Further, submission of documents sealed via court order or by operation of law shall be clearly labeled as SEALED on the title page of the document submitted and, wherein applicable, be accompanied by a copy of the court order directing or permitting the sealing of same.

**IX. Note of Issue:** The case will be deemed ready for trial once a NYSCEF document type *Note of Issue-With Jury or – without Jury* has been uploaded to the NYSCEF system.

**X. Consolidation or Joint Trial:** Consolidation or joint trial of proceedings shall be at the discretion of the court. In the case of consolidation of tax certiorari proceedings, all pleadings containing multiple index numbers for multiple tax years shall be entered into the Supreme Court Clerk's casebook bearing the first year NYSCEF index number assigned, unless directed otherwise by the court.

A statutory fee of two hundred and ten dollars (\$210) for the assignment of an Index Number is required, unless the affidavit is executed in conjunction with a pre-existing Seneca County action. The statement for judgment must be submitted simultaneously with the affidavit, and judgment entered immediately thereupon the filing of the affidavit.
- 2. Venue:** Venue is properly based in Seneca County upon either the residence of the confessor at the time of execution of the affidavit, or upon express authorization as contained in the affidavit.
