

NASSAU COUNTY SUPREME COURT

VIRTUAL CHAMBERS CONTACT LIST

Attorneys may request a priority conference with the Court on pending matters by sending a standardized email request form to each Judge's Chambers. A group email address for each Judge's Chambers has been established for this purpose as provided below. Attorneys and unrepresented parties will indicate the reason for the requested conference. Chambers shall then determine whether a conference is necessary or appropriate and direct the manner of the conference, i.e., by telephone or video.

During this period of unprecedented operational challenges, parties are strongly encouraged to utilize the electronic communication protocols indicated above. Please click these standardized email request form links for the [Supreme Court](#) and the [Supreme Court Matrimonial](#) forms.

Unrepresented parties who cannot comply with these protocols may contact the Chief Clerk's Office at 516 493 3401 for assistance.
