

NASSAU COUNTY SURROGATE'S COURT

VIRTUAL CHAMBERS CONTACT LIST

Attorneys may request a priority conference with the Court on pending matters by sending a standardized email request form to the Surrogate's Chambers. A group email address for the Judge's Chambers has been established for this purpose as provided below. Attorneys and unrepresented parties will indicate the reason for the requested conference. Chambers shall then determine whether a conference is necessary or appropriate and direct the manner of the conference, i.e., by telephone or video.

During this period of unprecedented operational challenges, parties are strongly encouraged to utilize the electronic communication protocols indicated above. Please click this [standardized email request form link](#) for the form.

Unrepresented parties who cannot comply with these protocols may contact the Chief Clerk's Office at 516-493-3805 for assistance.
