Adam Librot,
Defendant-Respondent.

An appeal having been taken to this Court from an order of the Supreme Court, New York County, entered on or about March 14, 2019,

And plaintiffs-appellants having moved to vacate the dismissal of the appeal, pursuant to 22 NYCRR 1250.10(c) and, upon reinstatement, for an extension of time in which to perfect said appeal (M-2021-00561),

And defendant-respondent having cross-moved to dismiss all of plaintiffs-appellants' appeals, and to impose sanctions based upon plaintiffs-appellants allegedly frivolous conduct in pursuing their appeals (M-2021-00695),

Now, upon reading and filing the papers with respect to the motion and cross motion, and due deliberation having been had thereon,

It is ordered that the motion is granted solely to the extent of vacating the dismissal, and reinstating the appeal, taken from the March 14, 2019 order, and extending the time in which to perfect that appeal to the September 2021 Term of this Court, with no further extensions to be granted (M-2021-00561). The cross motion is denied as unnecessary as plaintiffs-appellants' remaining appeals have already been dismissed; that branch of the cross motion seeking sanctions is denied, with costs to abide the appeal (M-2021-00695).
